The diagram illustrates a J-turn maneuver. It begins with a horizontal dashed line on the left, labeled 'A'. A vertical dashed line extends upwards from this line, passing through a point labeled 'J'. At point 'J', the path turns 90 degrees to the right, indicated by a curved arrow. The path continues as a horizontal dashed line to the right. A second vertical dashed line extends upwards from the horizontal path, passing through a point labeled 'A'. At point 'A', the path turns 90 degrees to the left, indicated by a curved arrow. The path continues as a horizontal dashed line to the left, returning to the starting point. A small circle with the letter 'A' is located near the bottom of the vertical line segment between the two horizontal segments. The text 'Be ready before and facing A.' is written at the bottom left of the diagram.
